

**Still fighting
garbage odors,
flies and maggots ?**

Banish them with a

**Canfresh
Kitchen Waste Solution !**

What is Canfresh ?

Canfresh is an automatic system that controls humidity and temperature to reduce household organic waste odors

- 1. Fly-free, maggot-free**
- 2. Odor-free, worry-free**
- 3. Garbage storage up to 4 weeks**
- 4. Very low operating cost**
- 5. Pest-proof, raccoon-proof**

What does a Canfresh System look like ?

A Canfresh DHG100 system installed in a garage

Four Easy Steps to Odor-free Waste

- 1, Install the equipment in garage.**
- 2, Put organic waste in the Canfresh can instead of a green bin.**
- 3, Store the waste in the Canfresh can as long as you like without worrying about odors.**
- 4, Pull the can out to curb on garbage collection day, just as a green bin.**

*We are proud to say that
